

Jump into summer with HLC and join in the fun!

Jump Rope for Hope Loves Company to raise awareness as well as critical funding...

Jump, Share & Donate to our mission of supporting children and young adults who have had or have a loved one battling Amyotrophic Lateral Sclerosis (ALS).

Founded in 2012, Hope Loves Company is the only non-profit in the U.S. to provide both educational and emotional support to children and young adults who have had or have a loved one living with ALS.

Here's how you can make a difference for the kids.

Just like jumping rope, it's as easy as 1-2-3!

- 1. Jump!** Create a short video jumping rope – be silly, creative, have fun! Jump in honor of a loved one living with ALS, or in memory of a loved one. Jump for those who are unable. Jump for the kids who need our support.
- 2. Share your video.** Tag it with **#JumpRopeForHopeLovesCompany** and post/share it on TikTok, Instagram, Twitter, and Facebook. Tag your friends and ask them to **Jump, Share & Donate** with you.
- 3. Donate whatever you can.** Please! A few dollars from many people will go a long way to raise awareness and funds to continue to support the kids who need us.

Every dollar raised will fund Hope Loves Company's mission, helping more kids through Camp HLC, Hugs of Hope care packages, and education and emotional support programs.

**The first 1,000 people who Tag HLC, post and share their video, and donate \$10 or more will receive a specially designed Jump Rope for Hope jump rope!*

HOPE
LOVES
COMPANY™

Camp HLC helped me because I was surrounded with people who knew what I was going through. It may help others because it shows they are not alone.

– 14 year-old camper
